

The Transnet Phelophepa Health Care Train

Join the Transnet Phelophepa Health Care Train at Empangeni station for all your medical and health care needs, including check-ups, medication and tests.

The Transnet Phelophepa Health Care Train, in partnership with Roche and the Department of Health, will be offering free health information and education, as well as screenings for the following conditions:

- Diabetes
- Breast cancer
- Prostate cancer
- Cervical cancer

Date: 12 - 16 August 2013

Venue: Empangeni station

New to the Transnet Phelophepa Train

Come and see the new cancer education play hosted by the Phelophepa team. Look out for information about the play venues and dates in your local news.
