

TRANSNET

## **The Transnet Phelophepa Health Care Train**

Join the Transnet Phelophepa Health Care Train at Newcastle station for all your medical and health care needs, including check-ups, medication and tests.

The Transnet Phelophepa Health Care Train, in partnership with Roche and the Department of Health, will be offering free health information and education, as well as screenings for the following conditions:

- Diabetes
- Breast cancer
- Prostate cancer
- Cervical cancer

Date: 8-12 July 2013

Venue: Newcastle station

**Be Screened**

be cancer aware

# Street Theatre comes to town!

**The Transnet Phelophepa Healthcare Train team has some fun and excitement lined up for you.**

Look out for plays at the Newcastle station and around town from **Monday 1st to Friday 5th of July 2013**. These shows will take place at different venues in town, at various times throughout the day.

*Come be entertained and educated!*
